Market Commitment:

We now require all vendors to make a minimum continuous 3 week commitment. This is for the market's benefit as well as your own. Our customer base is highly dependent upon habit and particularly for non-produce vendors it may require this amount of time before you see an increase in sales.

PLEASE PROVIDE COPIES OF ALL LICENSES AND PERMITS

Complete application and fees must be submitted before vendor is permitted to sell at the market. This may include the following: food manufacture license, nursery permit, organic certification, dairy permit, mobile food license, sales tax permit, food manager's

certification, insurance policies (limits page), growers statements, health department permit and other permits required for your particular business. It is your responsibility to know which are required for your particular business and to secure the necessary insurance and certifications required by the state or county for your specific business.

PARTICIPATION AND INDEMNITY AGREEMENT

Vendor has read and understands the Market Rules for the Tomball Farmers Market and is bound by the terms and conditions outlined there. Tomball Farmers Market Board reserves the right to disallow participation from the market upon violation of these rules. Vendors may sell only within the product categories indicated on this application. Vendors are responsible for their own permits and licensing. Vendors are responsible for the quality and safety of what they sell; thereby alleviating Tomball Farmers Market and Board from any liability originating from any products sold at the market. We, the undersigned, agree to comply and abide by the rules and regulations of the Tomball Farmers Market.
